

# Zonzo Enoteca

OrderMate is an integral part of our company, its systematic intelligence is vital in keeping Zonzo and e-lounge organised, efficient and essentially successful. With the arrival of the new PocketMate, staff can remain on the floor, take orders outside and instantly print these to the bar and kitchen during busy periods. OrderMate has enabled our other restaurant e-lounge to be marketed via Twitter, allowing us to communicate with customers about new products and events. In essence, OrderMate encapsulates characteristics of simplicity, proficiency and superiority.

Rod Micallef Owner/Operator

# Zonzo Enoteca

## OrderMate

Zonzo Pizzeria & Enoteca is located at the Train Trak winery in the Victoria wine region of the Yarra Valley. It is also the little sister restaurant of one of Melbourne's institution pizzeria's; e-Lounge. Zonzo caters for both casual dining and functions and has a large outdoor dining area which overlooks the grape vines and surrounding hills of the Yarra Valley. Be sure to book in advance on weekends! Finding a spare seat in the house is almost impossible, otherwise there's the front bar where you will usually find either Rod or Bart – both owners. Feel free, of course, to speak to them about the OrderMate system and how it has assisted with creating two very successful businesses.

### Features/Benefits
